

## **ABOUT THE FINANCIAL ASSISTANCE PROGRAM**

Miami Jewish Health can offer discounted services at Douglas Gardens Hospital for those individuals whose family income meets the guidelines of the Financial Assistance Program.

For information on the eligibility requirements and assistance offered, please see the Plain Language Summary of the Financial Assistance Program below.

To apply for the Financial Assistance Program, you will need to complete the Financial Assistance Program application also included in this document.

## PLAIN LANGUAGE SUMMARY OF THE FINANCIAL ASSISTANCE PROGRAM

Miami Jewish Health (“MJH”) provides a financial assistance program to Douglas Gardens Hospital patients based on an individualized determination of financial need, and shall not take into account age, gender, race, social or immigrant status, sexual orientation or religious affiliation.

### **Eligibility and Assistance Offered**

The financial assistance program covers only medically necessary services provided by the Douglas Gardens Hospital at MJH.

MJH offers two levels of financial assistance.

- **Full Charity Care:** Patients whose annual household income is less than 200% of the Federal Poverty Guidelines (FPG) qualify for fully discounted services.
- **Partial Charity Care:** Partially discounted care is available to patients whose annual household income exceeds 200% but is under 400% of the FPG. Partial Charity Care is provided in the form of a discount of between seventy percent (70%) and ninety percent (90%) off inpatient and/or outpatient charges. However, patients who would otherwise qualify for Partial Charity Care but who have sufficient liquid assets available to pay for care without becoming Medically Indigent, or sufficient insurance coverage, may not be eligible for Partial Charity Care.

An individual eligible for financial assistance may not be charged more than the amount generally billed as established by Medicare for emergency or other medically necessary care.

### **How to Apply**

To receive assistance, patients must complete and submit a financial assistance application to MJH and provide the required supporting documentation.

### **How to Obtain More Information**

MJH makes paper copies of the complete Financial Assistance Policy (FAP), FAP application form, and plain language summary of the FAP available upon request without charge in public locations in the facility, by mail and via the Internet. These documents are available in English, Spanish and Creole.
